

SHOTS (HEPATITIS B)

Hello,

My name is Al Castellanos and I am a licensed insurance agent. Do you know what disease prevention is and why it's important? Well I am here to give you that information. Medicare pays for many preventive services to keep you healthy. These preventive services can find health problems early, when treatment works best, and can keep you from getting certain diseases.

Shots (Hepatitis B) is one of the preventive services that is covered by Medicare.

Who's covered?

Certain people with Medicare who are at medium or high risk for Hepatitis B.

How often is it covered?

Three shots are needed for complete protection. Check with your doctor about when to get these shots if you qualify to get them.

Your cost if you have Original Medicare

You pay nothing if your doctor or other qualified health care provider accepts assignment.

If you have any questions regarding this exam or any of the other Preventive Service exams covered by Medicare, please contact me at (281) 642-4082 or at alcastellanos@prinsuco.com.
